

## Approved First Aid Training Courses: October - December 2009

**Please Note:** With the enactment of Trade, Investment and Labour Mobility Agreement (TILMA) and Agreement on Internal Trade (AIT) if a worker's first aid certification is approved in one Canadian jurisdiction it is automatically recognized in the new jurisdiction *as long as* the workplace first aider is competent in applying the jurisdiction- specific legal requirements in first aid for the "new" jurisdiction. Refer to the publication "Workplace First Aiders and Legal Requirements" [http://employment.alberta.ca/documents/WHS/WHS-PUB\\_fa011.pdf](http://employment.alberta.ca/documents/WHS/WHS-PUB_fa011.pdf) for information that is required in Alberta as an add-on to the approved certification.
