

## **Disclaimer for *Five Year Employer Lost-time Claims and Fatalities***

These annual reports contain employer-specific data on lost-time claims and fatalities as reported to the Workers' Compensation Board-Alberta (WCB). The data presented in the reports include employers who are required to have WCB accounts. The Department of Human Services ("The Department") has calculated and provided the lost-time claim rate based upon the formula contained within the *Usage Considerations for the Five Year Employer Lost-time Claims and Fatalities* document.

The information provided in the reports is solely for the user's information and convenience and, while thought to be accurate and functional, it is provided without warranty of any kind. It is the responsibility of the user to scrutinize, analyze, interpret, and apply the information properly for any intended purpose. The user is further advised to review the attached document entitled *Usage Considerations for the Five Year Employer Lost-time Claims and Fatalities* for further information on the proper use of the reports. The Crown, its agents, employees or contractors will not be liable to the user for any damages, direct or indirect, arising out of use of the information contained in the reports.

The Department endeavours to ensure that the information contained within the reports is accurate. The report provides a five-year snapshot at the employer level. All data in these reports are drawn from information reported to the WCB by March 31, 2011. If you have any concern regarding the information contained within the reports, call or email the **Occupational Health and Safety Contact Centre**:
